### Golf Courses

#### King Island Golf Club

Par 72 | 6 454m | 36 Holes

King's Island Golf Club is a 36 hole golf resort on the outskirts of Hanoi and arguably the most scenic course in North Vietnam.

The Lakeside Course spans two islands and a peninsula lying in the reservoir. Views are spectacular with the majestic Ba Vi mountain range providing a stunning backdrop to the man-made lake, while the Red River Valley stretches into the distance.

#### TAM DAO GOLF CLUB

Par 72 | 6 555m

Tam Dao golf course opened in 2007, was designed to be the best golf course in Vietnam. Golf course design company IMG used the natural land contours and local flora and fauna to create a visual treat for golfers.

Large mountains in the back drop frame each hole and give the impression of one being in the Alps or Adirondacks. The golf course plays through a series of lakes and streams, making it one of the most scenic Hanoi golf courses. Tam Dao Golf Resort is located high in the Tam Dao Mountains which makes for year round cooler temperatures and gives Vietnam golfers the feeling of playing in the Northeast USA rather than tropical Asia.
